BERKSHIRE EAST MOUNTAIN RESORT GROUP ADVENTURES

Welcome to Berkshire East Mountain Resort, New England's Outdoor Adventure Center. Located in the Berkshires, we offer a wide selection of world-class outdoor adventure activities for your school, group or organization. We encourage all Group Coordinators to consider Berkshire East Mountain Resort in Charlemont, MA for their group's next outdoor adventure.

RENEWABLE ENERGY TOURS

As part of our commitment to a sustainable future, we offer group tours of our 900kW wind turbine and 500kW solar field. These group tours can be tailored for your school or organization's special needs.

GROUP RAFTING TOURS

Group Rafting is an excellent opportunity for your group or organization to develop team building skills. With several scheduled water releases, the Deerfield River becomes a whitewater paradise for your group.

MOUNTAIN COASTER

The Thunderbolt, North America's longest Mountain Coaster, is often the highlight for groups. Riders experience G-force inducing twists and turns over 3,870 ft. of downhill track that falls over 400 vertical feet.

GROUP ZIP LINE TOURS

Featured by *USA Today* as one of the top ten zip lines in the U.S., Berkshire East Zip Line Tours offers three different tours with some of the highest and fastest lines in North America for your group or organization.

AERIAL ADVENTURE PARK

Berkshire East continues to embrace its role as a leader in eco-tourism by providing your group with the new, guided Aerial Adventure Park as well as our netted Tree House Trail Park for children who are three years or older.

DOWNHILL MOUNTAIN BIKING

The Thunder Mountain Bike Park is one of the most dynamic, lift served mountain bike parks in the Northeast. Your group can be supplied with high-end rentals, lessons and guided tours for beginners through expert riders.
